CATHOLIC **FIRST**

St. Francis of Assisi's teachers educate, model and live Gospel values through a Christian community which is founded on traditions of the Roman Catholic Church.

Our students thrive through our mission to form, inform, and transform students into Christ's mystical body. They experience daily prayer, regularly encounter and celebrate the sacraments, and grow in their love for Jesus and His teachings. We build each child's faith foundation and cultivate their hearts and souls to become incredibly virtuous youth. Being CATHOLIC FIRST will prepare them with solid values and a bright future.

FORMING GOOD STEWARDS

Our Stewardship Way of Life is in action with students' countless acts of service.

Stewardship as a way of life began at St. Francis of Assisi in 1968 when Monsignor Thomas McGread arrived as Pastor. As the founding parish, with this stewardship model - each student's family takes a pledge of support not only through tithing but also through many stewardship opportunities throughout the year. By living this pledge in action, our students grow in faith and understanding of how *"it is in giving that we receive."*

Growing their relationship with Jesus through The Catechesis of the Good Shepherd

Our parish and school support and offer the *Catechesis of the Good Shepherd* (CGS) which fosters the spiritual lives of 500 students and parish children weekly! CGS includes child-sized prayer materials and model liturgical pieces to help meet the children where they are. This creates a “hands-on” space for children in which they can hear, ponder, and celebrate the most essential mysteries of the Catholic faith, the celebration of the Holy Mass, our sacraments, and traditions.

THE SFA **STEWARDSHIP MODEL**

**A faithful partnership
between your family,
our parish, and our school.**

Enrolling your children in a Catholic school is a partnership among the family, the parish, and the school. It is through the faithful stewardship of all at St. Francis of Assisi that we are able to provide an excellent Catholic education. As stewards, we recognize everything we have and all that we are are gifts from God. We respond to that gift by giving of our first fruits of TIME, TALENT, & TREASURE. This allows your child to receive the gift of Catholic education!

**“As each one has received a gift,
use it to serve one another as good
stewards of God’s varied grace.”**
