

COVID-19 UPDATES

2021-2022

Updated as of December 16, 2021

WHAT IS CONTINUING?

● HANDWASHING, SANITIZING, AND CLEANING

Students will be sanitizing hands upon arrival to classrooms and throughout the day as a good hygiene practice. Pandemic cleaning procedures for the building will also continue.

● ANTIGEN TESTING

Antigen testing will continue for asymptomatic students exposed at school when requested by parents.

● WATER BOTTLES

Parents should send students to school with a clear reusable water bottle, as water fountains will not be used.

● ACTIVE COMMUNICATION

Communication with parents will continue when there is a positive case in a child's class.

● QUARANTINES

Quarantines will be based on Sedgwick County Health Department or family physician requirements.

MONITORING SYMPTOMS

● SYMPTOMS

- Fever (100.0 or higher)
- New loss of taste or smell
- Shortness of Breath
- Diarrhea
- Vomiting
- Congestion/ Runny Nose
- Muscles and body aches
- Fatigue
- Headache
- Sore Throat
- Cough
- Chills

- Parents will be required to monitor their child's symptoms and keep them home if symptomatic.
- If any of these symptoms are present for more than two days, please consult your family physician.
- Must be 24 hour vomiting, diarrhea, and fever free (without fever reducing medication) to return to school.
- A doctor's note is required to return to school after an absence of three or more consecutive days.

ASSIGNMENT EXPECTATIONS:

- Absent students will have the number of days absent plus one day to return assignments

- K-6 absent student work is available after 3:00 p.m. Check SeeSaw and Google Classroom

- 7-8 absent student work is posted on Google Classroom after 3:00 p.m.

WHAT IS DISCONTINUING?

- ZOOM ACCESS TO CLASSROOM INSTRUCTION

- DIOCESAN COVID FLOWCHART FOR STUDENTS

- ST. FRANCIS INITIATED CONTACT TRACING

MASKS

Wearing masks at school is optional.

SELF-REPORT VACCINATION STATUS

Please share a copy of your child's vaccination status with our school nurse, Mrs. Conrad.
