

FRONT Parking Lot—Use ONLY if you have students in Grades 4-8

IMPORTANT NOTICE!

We Need EVERYONE'S Help for the SAFETY of our children!

PLEASE Follow These 5 Easy Steps for Morning Drop-off:

1. Enter off of Bekemeyer Street.
2. Have your children ready before you enter the parking lot!
3. The beginning point of the drop-off is the crosswalk closest to the school office. Your child must exit at any point along the red-curbed zone when your vehicle stops.
4. Students are to exit the vehicle from the passenger side only.
5. Students should proceed from the vehicle to any church or school entrance.

PLEASE DO NOT BREAK THE CHAIN!

IT MAY BE EASIER FOR YOUR CHILD, BUT MAY PUT OTHER CHILDREN AT RISK.

*If the above procedure does not work for you, please park and **WALK YOUR CHILD IN.** Please do not have them walk across the parking alone!*

AFTERNOON PICK-UP— All parents must use a parking stall and students will use the crosswalk to enter the parking area. **No cars may stop or park along the curb to pick up children.** You must pull into a parking stall.
